Description

First floor house in the center of torrevieja. the house is located in the very heart of the city, just two streets from the town hall and the church. on the facade we are greeted by an impressive gate with a large window next to it. once inside the house, the width of the corridor is striking. the first room we find is the living room, the place in the house where life is made; continuing along the corridor we find the two bedrooms until we reach the spacious living-dining room, from which we access the upper floor...
