## Description

Ground-level house for sale featuring a 4-meter façade. Currently, it is being used as a garage, equipped with a large gate that allows easy vehicle access. Inside, there is an open space measuring approximately 4 meters wide by 25 meters deep, and the ceiling is high. The original walls and ceiling are well-preserved and in good condition. There is an outdoor patio, and behind it, there is another very spacious enclosed area. This space can be utilized as a garage for multiple ve...
