Description

The residential complex features 144 luxury apartments with spacious terraces. This total of 144 homes is divided into 10 blocks, each comprising ground floor, first floor, second floor, and penthouses with private terraces and solariums, all with their own individual elevators. The complex includes a community pool, a children's playground, extensive landscaped areas, and community spaces surrounded by natural grass, palm trees, fountains, and walkways that enhance the enjoyment of its privileged nat...
