Description

A real estate agent in Torrevieja is tired of seeing apartments that seem frozen in time. With bathrooms from 38 years ago, plumbing from my grandfather's era, and windows ready to be thrown away... This 120 m² apartment near Acequión Beach is just the opposite. This place has had some serious work done. Quality work. New plumbing and electrical systems, floors, doors, windows, kitchen... high-quality renovation down to the last corner. That's why I'm going to enjoy bringing clients to see it, because it's a ...
