Description

Do you know the meaning of the word "contrast"? Well, that's exactly what happens with this home—you feel the contrast.

When you arrive at the street where it's located and see it from the outside for the first time, you immediately realize that it's the most well-cared-for home in the area.

Why?

Because of the contrast.

Its facade is fully renovated, looking beautiful, not dull and aged like what happens when a home hasn't been touched in years.

When you open the double entry d...
