Description

Just 50 metres from the heart of Guardamar beach, full of light on all sides, this penthouse with unobstructed sea views from its large terrace comes on the market with a very interesting price (for those who understand opportunities) not to take a look at what follows.

In C/Jacinto Benavente, unbeatable location right on the beach, no neighbours on the corner or on the roof, only 4 properties in the community, this is what you will find:
