### Description

Just 70 meters from the heart of Los Locos Beach, or in other words, a 30-second walk, you'll find this gem of a furnished apartment, complete with a glass-enclosed terrace and a spacious, independent kitchen (with its own utility room for the water heater and washing machine). Will it be spacious and roomy, or a cramped little place like those in the center of Torrevieja, made for the hobbits of The Lord of the Rings? Well, the answer lies in its 74 square meters of built area. Two bedrooms with built-in war...
